

# We are excited to announce our fundraising campaign with [iecocommunity.com](http://iecocommunity.com)

ieco will donate 15% of any purchases you make at their community market back to us

Helping us raise funds with the ieco community is as easy as one, two, three:

- 1 Visit ieco's online market and select your choice of popular eco-friendly products
- 2 Select our name from the "donation recipient" drop-down menu during the checkout process
- 3 Sit back and relax. ieco will process your order using PayPal's secure payment gateway, and then ship your order directly to you.
